

Frequently Asked Questions: AFA-06B-2012-SA CSU/Detox Technical Assistance

- Can a non-medical detox facility apply for funding?
 - To be eligible for award, the proposed facility must meet all criteria outlined within the AFA. Current CSU Medicaid standards provide for on-site detoxification services, while the ASAM criteria established reflects the level of care necessary to adequately treat the needs of any consumer on the unit. A non-medical detox facility would be eligible to apply for funding as long as the proposed CSU/Detox facility to be established/adapted complies with the AFA standards.
